LOCAL TENANTS

Commercial Advisors presents this 155+/- acre tract of industrial land in the growing Fayette County Industrial Submarket. Home to Norfolk Southern Intermodal, the site has regional accessibility, is in close proximity to major industrial users and the core Memphis logistics infrastructure. The site sits between TN State Route 57 and Highway 72. Construction on Highway 385 provides access to the park from I-240, while the location with I-269 providing access to I-40 & I-55.

Knox Road is positioned adjacent to Norfolk Southern’s new, 380 acre intermodal facility. This recent development represents a \$105 million investment into the region and will be a key piece in Norfolk Southern’s new “Crescent Corridor.” This master-planned intermodal project spans eleven states with more than \$2.5 billion in infrastructure. The Crescent Corridor provides a direct route between the Northeastern and Southeastern United States with further connections to Mexico and Los Angeles. Recent analysis by the Association of American Railroads, an industry trade group representing the major freight railroads of North America, estimates that the new intermodal facility will have an economic impact of over \$2.7 billion and 6,200 jobs over the next ten years in Memphis and the surrounding areas.
